Final Maturity Date: August 31, 2010

Coupon Type: fixed

Originator: C Hospital in Sapporo

ABL Borrower: Progress Funding Corporation

Arranger: North Pacific Bank, Ltd.

<Rationale>

C Hospital in Sapporo securitizes its medical treatment fees receivable from Social Insurance Medical Fee Payment Fund (SIMFPF) and the Federation of National Health Insurance Organizations (FNHIOs). There are no concerns about capabilities of parties to the structure to carry out their administrative duties. Risks with respect to principal and interest payments have been reduced to a level consistent with J-1 rating through credit enhancement and mechanism of the structure.
