

Japan Credit Rating Agency, Ltd. (JCR) announces the following credit rating.

## Hudson Green Project Finance 2020-1 Beneficial Interest and Trust ABL

### <Affirmation>

Beneficial Interest:	BBB
ABL:	BBB

### Rationale

This is a rating to the project finance for multiple solar power projects sponsored by Hudson Sustainable Investment Management, LLC. There are no particular concerns over the actual volume of power generated and cash flows. As for the revision to the business plan, the amount remains within the buffer for rising costs, which JCR assumes. The sponsor and asset manager are working on provision of appropriate repair and maintenance or upgrading the facilities to maintain the long-term value of the power plant.
