**The financial results reports (FY 2025) have been posted
in the " Reports relating to Issuer " section.**

From today, May 1, we will offer all users free access to the "Reports relating to Issuer (Japanese webpages)" on Highlights of Financial Results for FY2025 (for some industries, English translations will be posted on the English webpages).

This section normally provides paid reports* to RatingEye members, but we have made it public so that many people can view it. We hope this will help you as a reference when considering a subscription to the paid service "RatingEye". Please note that the Financial Results for FY2023 and FY2024 are also provided in the same section.

Please see below for information on RatingEye and membership enrollment.
