Results of verifying whether the model bond issuance complies with MOE's green bond guidelines, which was conducted by Ministry of Environment as a project for creating a green bond model for FY2017

Japan Credit Rating Agency, Ltd. has participated in the following contract work, requested by Ministry of Environment.

“To verify whether the green bond’s framework chosen as a model issuance example under the project for creating a green bond model for fiscal year 2017 conducted by Ministry of Environment complies with “Green Bond Guidelines” published in March 2017 by Ministry of Environment”

JCR is pleased to announce that Ministry of Environment published the results in its website. Please see the following URL for more details:
