

Japan Credit Rating Agency, Ltd. (JCR) announces the following credit rating.

<Asset Securitization Products>

GK AFC

Monthly Clear Receivable Securitization ABL Program

Monthly Clear Receivable Securitization ABCP Program (without Backup Lines)

<Affirmation>

ABL Program: J-1+
ABCP Program: J-1+

Rationale

This is a securitization of credit card monthly clear receivables. The risk of the principal repayment of ABL based on the ABL Program and principal redemption of ABCP based on the ABCP Program is considered to be reduced to an appropriate level thanks to the senior-subordinated structure and the administrative capabilities of the parties to the structure, and thus JCR has affirmed a rating of J-1+ to the ABL Program and ABCP Program.

Hideyuki Shoji, Seigo Suto

Rating

<Affirmation>
