

Japan Credit Rating Agency, Ltd. (JCR) announces the following credit rating.

Canadian Solar Green Project Bond Trust (Yamaguchi) Beneficial Interest and Trust ABL

<Affirmation>

Beneficial Interest: A
ABL: A

Rationale

This is a case of project finance for mega solar project of Canadian Solar Group operated in Yamaguchi City, Yamaguchi Prefecture.

The amount of electricity generated has been roughly above the planned amount backed by the good solar radiation quantity. There is no specific problem with the annual performance ratio as compared with the assumed level, and the operating costs have been within the scope of the initially forecasted. For other aspects, there have been also no significant events that require change to JCR's initial forecast for income.

Based on the above, JCR affirmed the A ratings on beneficial Interest and trust ABL.
