

<Asset Securitization Products> Senior Beneficial Interest 7931601 Series 8

<Assignment>
Beneficial Interest: Preliminary A

Rationale

The certainty that the prescribed dividends will be paid in full as stipulated with respect to the Series Senior Beneficial Interest, which is rated hereunder, and that the principal will be redeemed in full by the statutory redemption date is planned to be maintained at a level that can be evaluated as "A" through a senior subordinated structure and legal measures. Therefore, JCR has preliminarily assigned a rating of "A" to the Series Senior Beneficial Interest.

The assumptions for the credit ratings and the definitions of the rating symbols are published as "Types of Credit Ratings and Definitions of Rating Symbols" (January 6, 2014) in Information about JCR Ratings on JCR's website (<https://www.jcr.co.jp/en/>).

Outline of the rating methodology is shown as "Installment Receivables and Card Shopping Receivables" (June 2, 2014) in Information about JCR Ratings on JCR's website (<https://www.jcr.co.jp/en/>). Rating methodologies for other ancillary points such as eligible deposit accounts and bankruptcy remoteness are also shown within the same page.

The rating stakeholder participated in the rating process of the aforementioned credit ratings.

A preliminary rating is a credit rating assigned as a preliminary evaluation while material terms for issue to be rated are not yet finalized. When the issuing terms are finalized, JCR will confirm them and will assign a credit rating anew. The rating level of the final rating may be different from that of the preliminary rating, depending on the final content of the terms, etc.
