

Japan Credit Rating Agency, Ltd. (JCR) announces the following credit rating.

<Asset Securitization Products> KA19070

<Assignment>

Beneficial Interest: Preliminary J-1+

The originator securitizes its bills receivable from the customers. There are no concerns about capabilities of parties to the structure to carry out their administrative duties. Certainty with respect to principal and interest repayment has remained at a level consistent with J-1+ rating through senior-subordinated structure and legal measures.

The criteria used for identifying matters which serve as assumptions for the assessment of the credit status, and the criteria used for setting of grades indicating the results of the assessments of the credit status are published as "Types of Credit Ratings and Definitions of Rating Symbols" (January 6, 2014) in Information about JCR Ratings on JCR's website (<https://www.jcr.co.jp/en/>).

Outline of methodology for determination of the credit rating is shown as "Notes and Accounts Receivables" (June 2, 2014) in Information about JCR Ratings on JCR's website (<https://www.jcr.co.jp/en/>). Rating methodologies for other ancillary points such as eligible deposit accounts and bankruptcy remoteness are also shown within the same page.

Glossary:

A preliminary rating is a credit rating assigned as a preliminary evaluation while material terms for issue to be rated are not yet finalized. When the issuing terms are finalized, JCR will confirm them and will assign a credit rating anew. The rating level of the final rating may be different from that of the preliminary rating, depending on the final content of the terms, etc.
