

Japan Credit Rating Agency, Ltd. (JCR) announces the following credit rating.

<Asset Securitization Products> Trust ABCL (3932181)

<Assignment>

Commitment Line: A

Rationale

This is a financing scheme whereby the Originator entrusts loans receivable held against general debtors (original debtors). The certainty of principal repayment and interest payment as stipulated with respect to the loans made under the commitment line is deemed to be maintained at a level consistent with the A rating through senior-subordinated structure, setting of cash reserve, etc. and legal measures. Accordingly, JCR has assigned an A rating to the commitment line.
